Event Management

**Confédération
Européenne de
Volleyball**

Master Plan

- ✓ Tailor-made versions available for all event categories within the CEV portfolio
- ✓ Aims to ensure a common understanding of key event parameters and serve as a reference for all stakeholders
- ✓ Main reference document for assigned Supervisors/TDs – to be reviewed prior to the event
- ✓ Flexible working document that can be adapted by event partners to reflect specific conditions
- ✓ Supervisors/TDs are encouraged to create event-specific versions when needed
- ✓ Access here: <https://cloud.cev.eu/url/Supervisors>

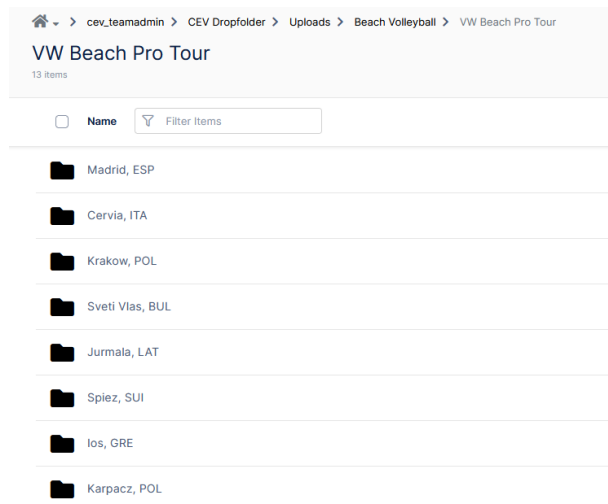

- ✓ SLACK is used during competition time to facilitate the communication between CEV Staff and the Supervisors on site in case of urgencies.
- ✓ Supervisors are added to the channel that includes also CEV staff, members of the Ref Commission and the EBVC upon arrival on site.
- ✓ Slack is available in both iOS and Android mobile apps in addition to web browser and desktop clients for macOS.

- ✓ Used for all CEV European Championships and top events
- ✓ Enables CEV officials to monitor event preparation and track assigned tasks
- ✓ Invitations are sent by email to relevant stakeholders
- ✓ Available on web and mobile applications

Branding and Marketing

- ⚙ Tailor made versions for all CEV event categories
- ⚙ These documents include all event category image and identity productions and contain logos, layouts and promotional material to be produced.
- ⚙ CEV is applying a cloud-based approach for the sharing of the Branding and Marketing requirements to all organisers
<https://cloud.cev.eu/url/beachvolleydown>

- ⚙ CEV CLOUD is a platform used by the Organisers to submit to the CEV for approval, all printed and digital materials related to the CEV competition by uploading samples via CEV Cloud:
- ⚙ No login or password needed
- ⚙ Supervisors need to check and review the approved items
- ⚙ The approved files (only pdf) will be renamed by the CEV with word “Approved”

VW Beach Pro Tour Futures

For Volleyball World Beach Pro Tour Futures tournaments, a maximum of three (3) teams from the host country, excluding wild cards, may enter the Main Draw tournament directly despite insufficient ranking points calculated at their entry to the tournament.

The fourth (4th) team from the host country may enter the Qualification Tournament if it has enough ranking points calculated at its entry to the tournament. Otherwise, the team will be placed in the reserve list

VW Beach Pro Tour Futures

- What should be done to dispatch the teams in case of a team withdrawal in the MD or QT?
- ✓ Set the status to *Confirmed*, only then you can dispatch the teams. After dispatching, you can return to the running order of the VIS.

TD Role and Responsibilities regarding to VIS

➤ VIS Procedures

- ✓ Check the following details **before loading Rounds & Matches**:
 - City,
 - Venue
 - Time Zone

- ✓ Where to enter this:
 - Go to VIS Tournament Group
 - Info icon
 - Information tab

- ✓ Why this matters:
 - These details will auto-fill for all matches

TD Role and Responsibilities regarding to VIS

➤ VIS Procedures

- ✓ Ensuring that Scorers, Line Judges, and Referees are added:
Navigation path:

- ☐ Line Judges and Scorers (Futures)

- VIS Event Group
 - Data icon
 - Auxiliary Persons Tab

- ☐ Referees

- VIS event Group
 - Data Icon
 - Referees Tab

TD Role and Responsibilities regarding to VIS

➤ VIS Procedures

- ✓ Ensuring that Match Start Times are added and published for the next round
 - Consider scheduling match times only, court assignments can be confirmed at a later stage, but in due time before the start of the round
 - This may be required if sunset could impact matches

TD Role and Responsibilities regarding to VIS

➤ VIS Procedures

- ✓ Calculate ranking - Perform this process after every match is completed: Navigation path
 - ❑ Close Match
 - VIS edit group
 - Modify Icon-Validate
 - Enter Scores
 - VIS edit Group
 - Accept icon
 - ❑ Update Matches
 - Vis matches Group
 - Tools Icon
 - Update matches
 - ❑ Calculate ranking
 - VIS tournament Group
 - Tools Icon
 - Calculate ranking
 - ALWAYS check the final rankings after the end of the event

TD Role and Responsibilities regarding to VIS

➤ VIS Procedures

- ✓ Matches must be closed within 30 seconds after the end of the match
- ✓ This is essential to ensure timely updates of:
 - final rankings,
 - pool standings,
 - play off bracket
 - and upcoming matches for TV
- ✓ Entry of injury Forfeit
 - Enter the score at the moment of the injury so that VIS can correctly calculate rally point ratio
 - In case of a no-start, enter the score as 0–0, 0–0.(Make sure to override the automatic 21–0, 21–0 from the e-scoresheets.

TD Role and Responsibilities regarding to VIS

➤ VIS Procedures

- ✓ Manually Double Check all Final Pool Rankings, with particular attention to
 - 3-way ties and
 - Modified Pool Play
- ✓ Manual 3-way ties calculation can be shown to players / coaches since the ratio does not appear on VW website
- ✓ Manually verify Modified Pool Play standings
- ✓ Enter Fines for Late Withdrawals and other sanctions
- ✓ Verify Final Ranking on VW website
- ✓ Status = “Finished” when tournament is completed.

TD Role and Responsibilities regarding to VIS

➤ Playoff Drawing of Lots

- ✓ Double check that VIS has calculated the Final Ranking correctly in each Pool
- ✓ Prepare Drawing of Lots in advance to ensure a smooth and quick process after the last match finishes
- ✓ if there are no witnesses during the draw, videotape the process using a cell phone for transparency.
- ✓ Ensure that Pool Names and Ranking is listed when drawing (A1, B2 , C3...etc)
- ✓ Double Check the first 2 rounds of matches to ensure teams from the same pool don't meet.

Match Technology

- 2024 & 2025 match data delivery recap:

- Match completeness during the match

Year	Escoresheet	Click&Scout
2024	96.24%	98.09%
2025	96.98%	97.61%
2026 (objective)	99%	99.5%

- Number of tournaments in which 100% of matches have been completed:

Year	Escoresheet	Click&Scout
2024	12/29	18/29
2025	18/32	24/32

- The match technology concept remains the same as in the 2025 season:

- VIS > Live Chat > Match Keys platform > Escoresheet > Click & Scout

- Reminder for match technology:
 - Live Chat:
 - Inform about Q and MD published fixtures in VIS
 - Match technology issues should be communicated via Live Chat
 - VIS:
 - It cannot be used to prepare draft fixtures
 - If you reloaded the “Load round & matches” template, inform via Live Chat
 - Escoresheet & Click&Scout:
 - Wired (LAN) cable internet connection is mandatory
 - Match opening and closing is allowed only on the match court
- Individual feedback on last year’s tournament will be provided to the organisers, in an email with match technology information. Supervisors will be CC’d.

- Sportradar scouts in the tournaments - NEW:
 - Organizers should provide:
 - Access to the match for authorised personnel
 - One dedicated assigned seat per match court equipped with a power socket
 - The same seat should be provided with access to a Wi-Fi connection with a minimum upload and download speed of 20 Mb/s. The Internet connection should be private
 - Scout details will be provided to the organizer approximately one week prior to the tournament, with the supervisor included in CC.

The Referees

With special attention to VW PRO TOUR FUTURE events

**Confédération
Européenne de
Volleyball**

Events with no RC present on site - Principles

- ❖ In the events with no Referee Coach assigned, the RC role is **divided between** the **CEV Supervisor** on site and the local **Referee Manager**, but TS must establish the RM's knowledge and experience
 - ❖ **Referee Manager** conducts the Referee clinic
 - ❖ **Referee Manager** presents proposed nominations to the Supervisor for confirmation -**please ensure neutrality parameters**
 - ❖ **The Supervisor** handle the **protests** on site (Level 1)
 - ❖ **BVB-15** – a couple of copies on each scorer's table

Events with no RC present on site - Principles

- ❖ In FUTURE events no evaluation of Referees performance is conducted, nevertheless the Referee Manager should still keep statistics for the **number of matches** refereed by each referee. Supervisor make sure that appointments are updated in the VIS, also names.
- ❖ Ensure that as a Supervisor you have an initial communication with the Referee Manager prior to arrival to set the tone of your collaboration.
- ❖ Meet with the RM as soon as possible upon arriving on site
- ❖ In case you spot any issues (**not being available for the whole event duration, issue with English, other limitations**) please report ASAP to the CEV Beach Volleyball Dept.

Events with no RC present on site – Tasks for Supervisor

- ❖ Referee clinic (lead by RM)
 - You should always attend the opening.
 - Make sure that the **BMP** and **MAP** are described and understood
- ❖ Oversee referees and auxiliary officials around and on the court
- ❖ **Review the scoresheets** (including procedures and management)
- ❖ Ensure that court and match equipment is according to the requirements – use experienced referees to assist you
- ❖ **E-scoresheet** – make sure that the responsible person in the local organisation knows the system and have some IT knowledge.
- ❖ **Paper scoresheet to be used together with the e-scoresheet**

Coaching

Test launched in august 2025

2nd phase of test in all 2026 events until the World Congress

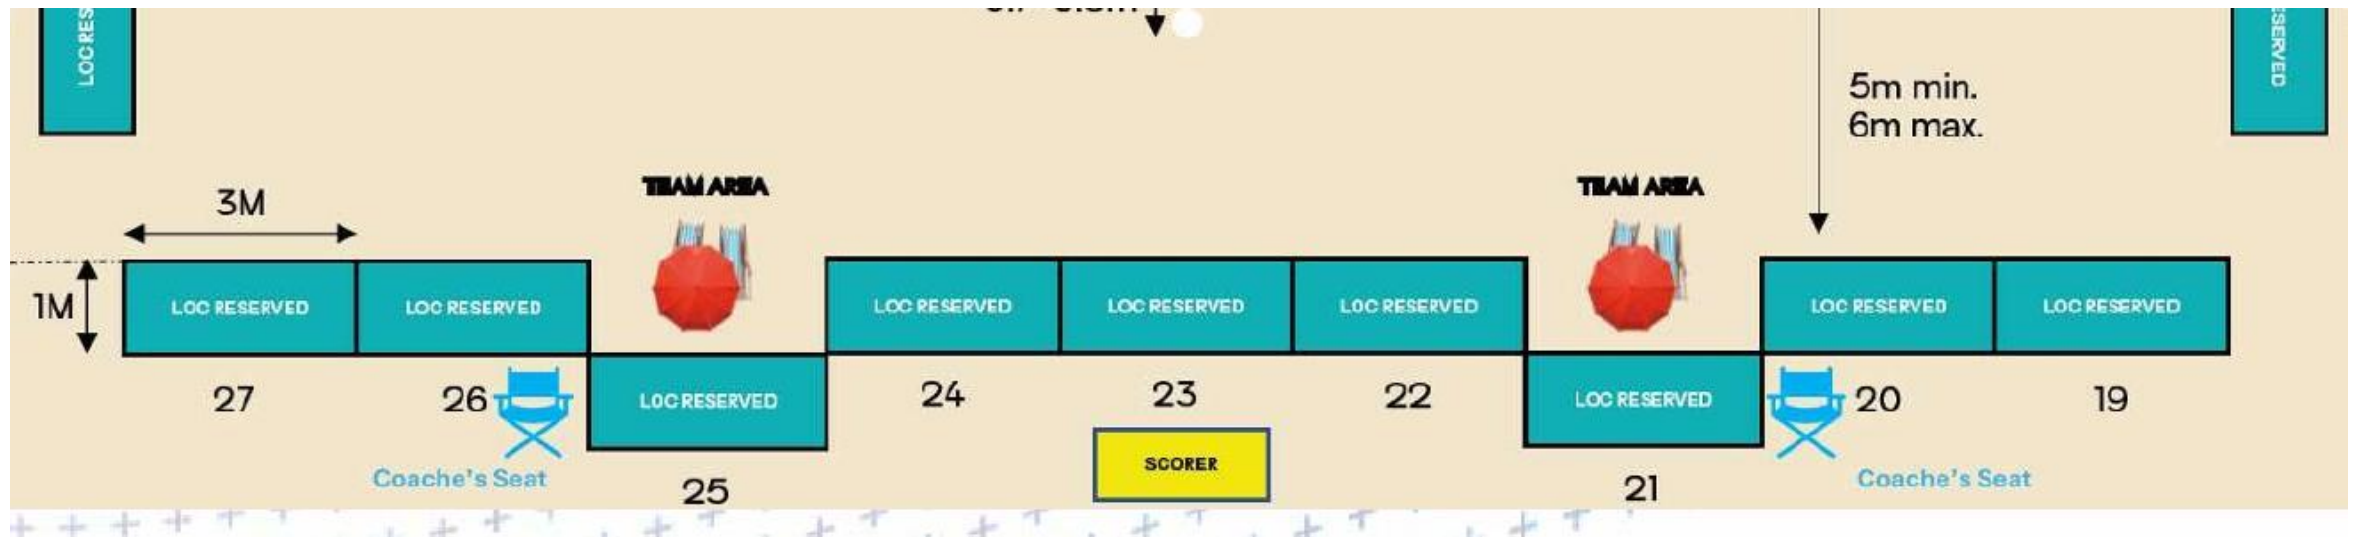

**Confédération
Européenne de
Volleyball**

- ❖ A few adjustments will be introduced:
 - Coaches will be allowed to assist their team on court until the end of the official warm-up.
 - Coaches will be introduced during the pregame presentation, as is currently done for athletes.
 - In collaboration with the organizer, the positioning of the coach's chair will be reviewed (response to requests from the Commissions).
- ❖ If the new placement proves unsuccessful, further review maybe conducted onsite.

Position of coaches chairs

General points

During the event

Coach must attend the preliminary inquiry to be registered with the team. The team can also choose not to have any coach accompanying them on the field of play. Any substitution of coach must be approved by the TS

The coach with his/her name confirmed at the PI or further approved by the TS after any coach replacement, is only allowed on court by presenting his/her accreditation. This should be left at the scorer's table.

The coach must sign the scoresheet before the match starts

⚡ Coach **must be seated at designated chairs and** remain seated during play and during intervals between rallies.

⚡ Exeptions:

- During set intervals
- While instructing the players at regular game interruptions; TO, TTO and exceptional interruptions like Medical TO, RIT, Prolonged interruptions.

⚡The coach **switch with the team** at court switches

⚡The coach is **not permitted to use any device** (including digital watches, tablets and mobile

⚡ The coach **must not stand** during play

⚡The coach might interact (give instructions) with the players during **warm-up, set intervals, regular game interruptions and exeptional game interruptions**

⚡ The coach as well as the captain may request a time-out, show the hand signal and ask «time-out» to the 2nd referee.

⚡Dress Code:

- The coach must wear a uniform **which is different from the team** (T-shirt/polo/tracksuit top/windbreaker, showing country name/flag on the chest and/or on the back). Shorts and training suits pants are allowed but not jeans.
- Sneaker are recommended while sandals and flipflops are acceptable
- Sponsors logo on coaches' uniforms can be placed on the uniform
